President of the Spanish Maritime Law Association  
Madrid

Dear Eduardo,

Re: The passing of Fernando Meana Green

On my own personal behalf and on behalf of the Malta Maritime Law Association may I give you and all the members of the Spanish Maritime Law Association our most heartfelt condolences on the passing away of Fernando Meana Green.

I had the great pleasure and privilege of knowing Fernando personally since 1987. His larger than life persona, his charm, his insight, his depth of knowledge, his expertise and his humanity will not be forgotten very easily. For many of us he was a combination of a great maritime lawyer, a great teacher and a great lover of life. His involvement in some of the most renowned international maritime casualties will be part of Maritime History for ever.

In these particularly challenging circumstances of unprecedented proportions we wish you and all your members well, we are all thinking of Spain.

Best regards  
Yours sincerely

Ann Fenech  
President  
Malta Maritime Law Association
